- Priority recognition during headline performances and major festival announcements
- Premium recognition in the Festival Program
- Featured recognition on the festival website and social media (Facebook and Instagram)
- Priority placement in festival advertising and promotional materials

Prominent festival advertising begins in May. Early commitment is recommended to ensure maximum sponsorship benefits.

All sponsorships may include a combination of monetary and in-kind contributions.

Example: A company donating the use of equipment, vehicles, trailers, or other resources valued at \$6,000 may qualify as a Gold Sponsor. Sponsorship levels may be achieved through any combination of cash and in-kind support.

Donations, sponsor information, and logo files must be received by Monday, June 8, 2026, to be included in the annual Festival Program.
